

# What is Back-to-Basics Judaism?

Jewish society is shrinking fast!  
Either from your own observations or from studying regularly collected data, this conclusion is painfully obvious. Why is this happening and what can be done to reverse the decline of Judaism. These questions will all be discussed in the articles at this website.

In brief, the current denominations do not sufficiently inspire and therefore cannot carry us to a satisfying future. Only by returning to the simplicity of the Five Books of Moses can the loss of something beautiful and valuable be avoided.

Judaism should not be a burden. Rather it is supposed to be a life of positives, strength, and joy. That's the whole purpose of the laws. The goal is an ideal society!

# The Back-to-Basics Jewish life is:

Most importantly, it's not complicated and it offers minimal personal and institutional demands.

There is also little stress or fear.

Enjoyment of daily life

Ethical consciousness everywhere and all the time

Social participation, both local and national

Defense participation

Study of the laws,  
discussing them, and teaching them
